4. Ensure that CES activities are research-based and connected to academic work through a BSIT capstone project identifying the beneficiaries.	The BSIT Program has integrated a BSIT capstone project into Community Extension Services, supported by a project proposal and abstract identifying the beneficiaries.	COMPLIED	Maintain the capstone project proposal, abstract, beneficiary identification, implementation report, related documents, and project results. Offices/Persons: BSIT Program, BSIT Faculty, BSIT Students, Extension Coordinator.
5. Establish a possible tie-up with TESDA for vocational and technical training and certification for the community.	The BSIT Program established a partnership with Big Five Training and Assessment Center, supported by a project proposal, MOU, and acceptance letter.	COMPLIED	Maintain the Big Five proposal, MOU, acceptance letter, and related partnership/training documents. Continue documenting technical training and assessment activities. Offices/Persons: BSIT Program, Extension Coordinator, Big Five Training and Assessment Center; TESDA, when applicable.
6. Integrate the NSTP Program with Community Extension Services projects.	BSIT NSTP students proposed a sustainable project to support the purchase of a whiteboard and television for Community Extension Services.	COMPLIED	Maintain the NSTP project proposal, documentation of the whiteboard and television purchase, photos, utilization records, and CES activity reports. Offices/Persons: BSIT Program, NSTP Program, BSIT NSTP Students, Extension Coordinator.
7. Provide sufficient budget for Community Extension Services to support continuity and enhancement of programs.	An annual budget for Community Extension Services is allocated and managed through the appropriate university offices.	COMPLIED	Maintain budget allocation records, approved budget documents, supporting documents, and accomplishment reports related to BSIT
